The family room at Khloé's place showcases an array of Martyn Lawrence Bullard creations, including the ceiling's Schumacher wallpaper, the hanging lanterns, and the sectional sofa, which is upholstered in a Perennials fabric; the framed photograph is by Patrick Demarchelier, the antique mantel is from Exquisite Surfaces, and the rug is by Anthony Monaco. **Opposite,**

**from top:** Bullard tented Khloé's living room with a sheer fabric of his own design and grouped a vintage sofa from John Salibello with a Levantine mirror and a rug by Anthony Monaco. A custom-made hood and a pendant light from Reborn Antiques serve as sculptural focal points in the kitchen; the wall ovens are by Wolf, and the counters are by Caesarstone.
